How do we know the way?

The way to live, and the way to God.

Every one of us is trying to find our way. We choose a career, raise a family, pursue our goals, and still wonder now and then whether the path we are on is a good one and where it will finally lead us. How do we really know the way?

Jesus, on the night before He went to the cross, told His disciples He was going to prepare a place for them. Then, His disciple Thomas asked an honest question: **"Lord, how can we know the way?"** In His response Jesus did not hand him a map or a list of rules. He offered him a Person: **"I am the way, the truth, and the life. No one comes to the Father except through Me."** (John 14:5–6)

The way to live

Jesus shows us what a human life was created to be: honest, loving, unafraid, full of purpose. And He gives us His own life so that we can actually live it.

The way to God

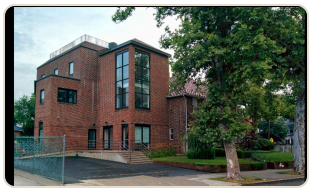

Our sin separates us from God, and nothing we do can close that distance. Jesus died for our sins and rose again, opening the way home to the Father for everyone who believes in Him.

What did Jesus mean when He said that He Himself is the way? What does it mean for us today? Come and hear more.
